

Setup Exchange ActiveSync on iPhone, iPad, or iPod

Follow these steps to setup your Exchange ActiveSync account your iOS device:

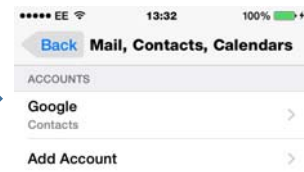

1. Tap Settings > Mail, Contacts, Calendars > Add Account > Microsoft Exchange.

Tap Settings

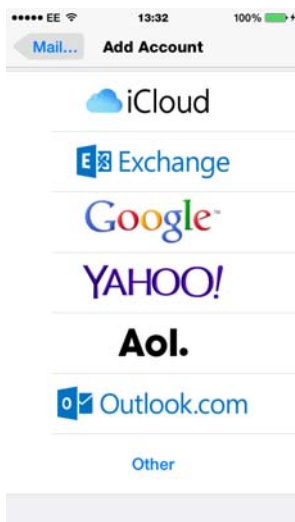

Choose Mail, Contacts, Calendars

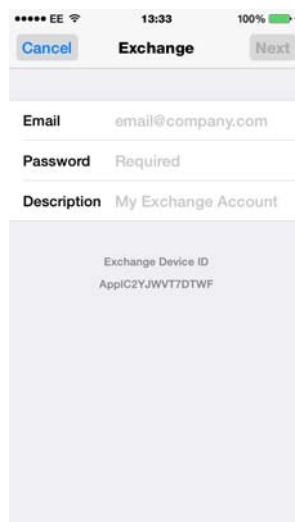

Choose Add Account

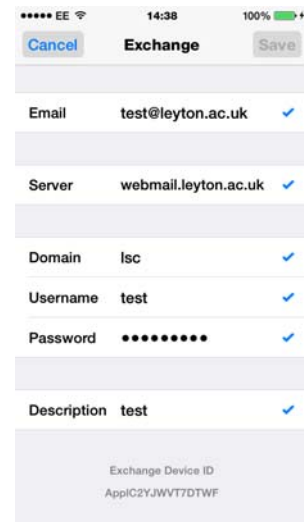

2. Enter the information in the fields below, then tap Next:

Choose Exchange from the list

Enter your college email and password.

Email: your college email
Server: webmail.leyton.ac.uk
Domain: lsc
Username:
Password:

Your iOS device will now try to locate your Exchange Server. If necessary, you will need to enter your front-end Exchange Server's complete address in the Server field.

Choose which content you would like to synchronize: Mail, Contacts, and Calendars. Tap Save when finished.

SET UP COMPLETE

To modify your exchange settings, Tap Settings > Mail, Contacts, Calendars, select your Exchange account
